

UQ Riding Guidelines

Active transport has become a popular and sustainable way to commute to UQ sites. For a safe ride for you and others follow these guidelines:

- 1 **Check before riding.** Prior to your journey check that your device is in good working order and properly maintained.

- 2 **Protect Yourself.** Wear a helmet and other protective equipment. Always make yourself visible at night, e.g., wear reflective gear, add a light to your device etc.

- 3 **Pedestrians rule!** Always give way to pedestrians and slow down when on crowded paths. [Giving way | Transport and motoring | Queensland Government \(www.qld.gov.au\)](#)

- 4 **Dismount.** Do not ride into no-go zones, follow road and riding signs.

- 5 **Sharing is caring.** Be considerate when riding on shared zones and show courtesy to fellowriders and pedestrians.

- 6 **Mind the traffic.** Be careful if choosing to ride on roads, cars are bigger than you!

- 7 **Park it.** Park your device at designated parking zones. Blocking footpaths and clogging publicspaces is not cool!

- 8 **Follow the loop.** UQ has created a Rideable Network at the St Lucia campus. Brisbane City Council rules may differ, so when riding around the UQ St Lucia campus please follow the Rideable Network and ride on designated roads/ paths. Please see [Rideable Network Map here.](#)

- 9 **Don't drink and ride.** Riding under the influence of alcohol is against the law.

- 10 **No tandem riding.** E-scooters and similar devices are strictly for single person use only. Donot put yourself and your friends a risk.

- 11 **Flag it!** If you have an accident or see a hazard let us know. Report it quickly via the UQ SafeApp.

- 12 **Mind the rules, it's the law!** Follow TMR, BCC and UQ road rules where applicable. They aremade to keep you and others safe.
