

UQ IMPACTS:

**NOTE: ALL WORKS DURING HOURS
WORK HOURS: 6:00AM TO 5:00PM**

STEEL FIN & CLADDING INVESTIGATION WORKS

1. Pedestrian entry to Sir Llew via Campbell Road & Duhig Lane will be closed while investigation works take place ("1" denotes location).
 2. ALL other public access maintained
 3. Fixed exclusion zones to be established
 4. All other footpaths to be retained
 5. All carparks to be retained
 6. Steel Fins and Cladding to be removed via a Knuckleboom and placed on the ground inside work area temporarily for investigation of the concrete substrate behind.
- As per UQ instruction, water tightness of Sir Llew Edwards Building will be maintained.
