

# Andrew N. Liveris End of Trip Facility

The Andrew N. Liveris End of Trip Facility provides cyclists access to a state-of-the-art end-of-trip facility including:

- Separate male and female showers and toilets
- Separate male and female lockers
- Over 70 bike racks
- Over 140 lockers
- Drying racks
- Change room facilities
- Water bottle refilling station
- Bicycle workshop

Whether you cycle to work or head out after work, you can shower, change and freshen-up at the Andrew N. Liveris End of Trip Facility.

The facility is available to all UQ staff, campus business staff and students.

Get active and be healthy, help reduce traffic congestion, improve the environment and enhance your lifestyle.
